Address:

Chisholm High School Area

Price:

Free

I have 80 acres next to Chisholm High School to lease. It has been lying fallow for a year but I figured it was time to make a productive use for it during uncertain times. It didn't seem to be right to let productive land sit for another year so I am offering this 80 acres for lease.

It has a beautiful pond and a couple of pump jacks so maybe 65 acres have been in continuous planting until last year.
